*Not In Labor Market: Self-reported exclusions such as disabilities, medical conditions, deaths, incarcerations, raising families, caring for families or visa restrictions.

Calculations for Placement Rates in this Report:

Total Placement = (Employed + Continuing Education + US Armed Forces) / (Graduates Responding - Not in Labor Market); NOTE - Placement is calculated out those responding to survey, not all graduates)

Of Those Employed, % Employed In South Dakota = Employed in South Dakota/Employed

Of Those Employed in Field, % Employed In South Dakota = Employed in Field, In South Dakota/Employed in Field

Employed, Continuing Education, Military % in South Dakota = Number employed in SD + Number continuing education in SD + Number in Military in SD/ total of those employed + those continuing education + those in military

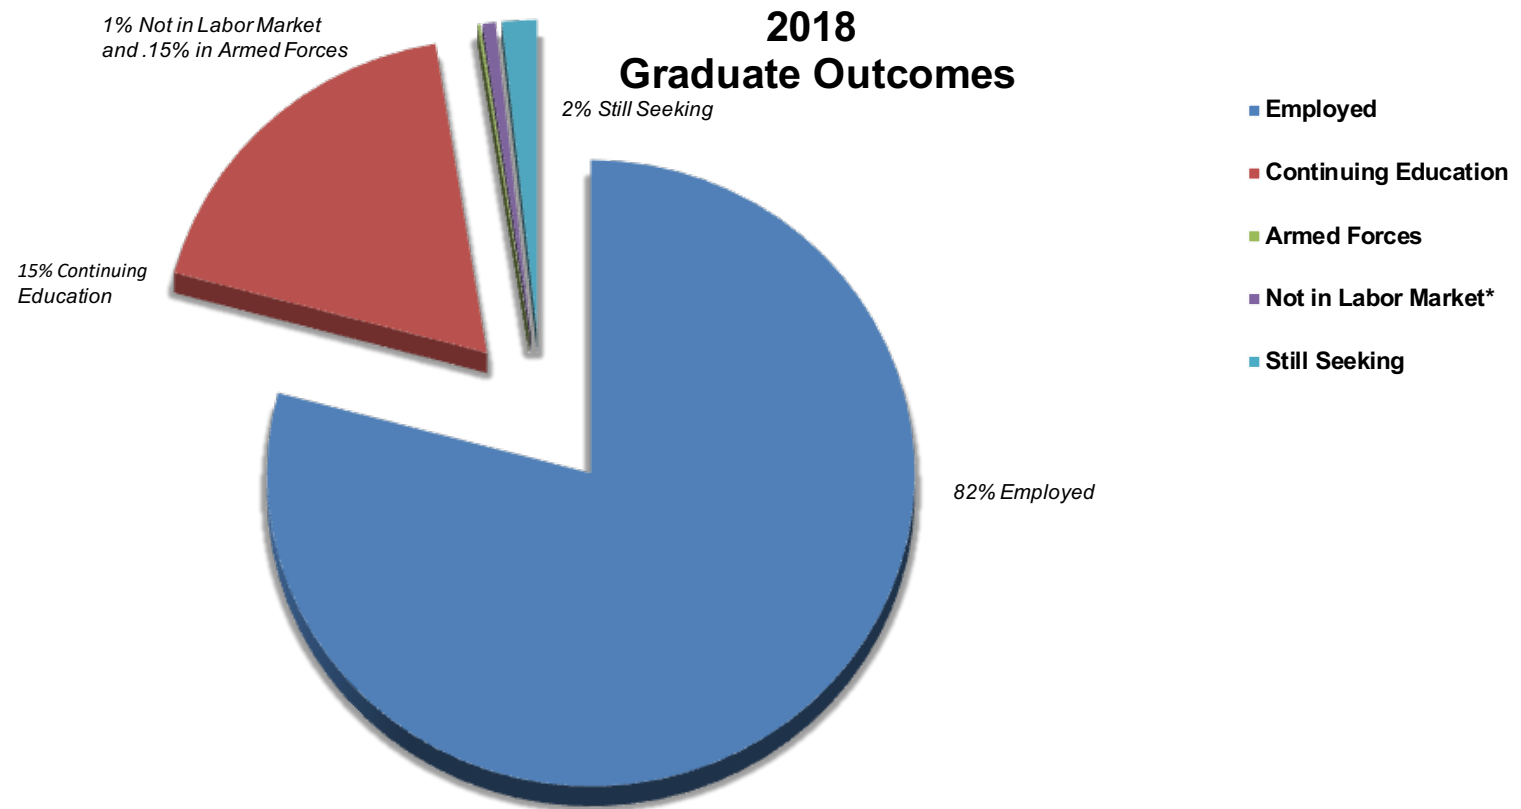

2018 Graduate Placement Report Process:

Each technical institute conducts a survey of graduates six months following their graduation. Responses included in this report are self-reports for 2018 technical institute graduates. This summary table shows data for unique graduates.

* Some graduates earn more than one degree, and that information is reflected in the program degree column. Unduplicated graduates by cluster are found in the second column and all other data are calculated from this unduplicated number. Total number of degrees conferred may be greater than unduplicated unique graduates by Cluster.
