Douglas 51-1 School District Strategic Direction

Identity

Strategy 1 Honor the district's legacy while creating new traditions.

Discover, develop and assess existing key components of DSD's identity;

Strategy 2 Create a welcoming and safe learning community that recognizes, celebrates, and embraces the district's diverse student, staff and community population.

Ownership

Strategy 1: Identify and communicate clear and consistent expectations for all stakeholders.

Strategy 2: All stakeholders will pursue student success (academic, behavior, attendance) through the creation of goals & benchmarks and a commitment to continuous improvement.

Strategy 3: Douglas School District will ensure fiscal responsibility through the safeguarding of resources and a focus on fiscal sustainability.

Adaptability

Strategy 1 Create a comprehensive professional development plan for Douglas School District that places emphasis on adaptability and a growth mindset.

Strategy 2 Identify, collect and analyze data needed to make informed decisions and adjust daily operations as necessary.

Community & Well-Being

Strategy 1: Develop a robust mental health/wellness plan for the Douglas School District that is responsive to all stakeholders.

Strategy 2: Create ongoing opportunities for family engagement and community involvement.

Strategy 3: Continually evaluate and further align our crisis response plan with best practice.

Strategic Alignment & Intentional Focus

Continuous Improvement

... yet

Things You Will Hear Us Say

What might better look like?

Getting better at getting better!

PROGRESS Not Perfection.

Who are we?

Why are we doing this?

Why are we doing this this way?

Whose needs are being met?

The pattern of adult interactions in a school strongly influences the climate and instructional outcomes for students.

Garmston & Wellman
2nd edition

~~PERFECTION~~
PROGRESS

The Story of Douglas!

Objectives: Gain insight into how Douglas enhanced reading instructional practices by implementing the following strategies:

Science of Reading

Guaranteed & Viable Curriculum
Standards review
Big 5 Reading Components

Data Literacy

Strategic & intentional decision making
School-wide Title programming
Assessments
Train all stakeholders in data

Instructional Leadership

Administrator training
Coaching roles
Professional Learning Communities

OUR WHY

Students

- Student success is our top priority
- All levels, all students
- Above, on, below grade level, behavior, special services, etc.

Staff

- Honor their knowledge
- Acknowledge requirements for teachers
- Acknowledge the diverse levels of students
- New research and knowledge

Data

- Multiple points of data - BOY, MOY, EOY, levels of content
- Multiple levels of data - curriculum, school, classroom, student
- Change in input to create change in output

Our job is to
prevent
reading
difficulties.

The Story of Douglas!

Objectives: Gain insight into how Douglas enhanced reading instructional practices by implementing the following strategies:

Science of Reading

Guaranteed & Viable Curriculum
Standards review
Big 5 Reading Components

Data Literacy

Strategic & intentional decision making
School-wide Title programming
Assessments
Train all stakeholders in data literacy

Instructional Leadership

Administrator training
Coaching roles
Professional Learning Communities

Reasons we look at data....

- Strategic **district** decisions
- Strategic **school** decisions
- Strategic **grade** level decisions
- Strategic **teacher** level decisions
- Strategic **student** level decisions
- Strategic **curriculum** decisions
- Strategic **PD** decisions
- Strategic **financial** decisions

3 INTENTIONAL STRATEGIES

1. Find a universal screener that could provide us accurate data.

2. Move from Targeted Title I to School-Wide Title I and add Instructional Leaders

3. Review of State Standards and alignment to Science of Reading.

ACADIENCE READING K-5

Basic Foundational Reading Skills

- Phonological Awareness
- Phonics
- Fluency
- Accuracy

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

The *Acadience Reading K-6* literacy assessment provides brief, formative indicators of the essential skills necessary for proficient reading in grades K-6.

Designed to predict early reading success and identify students experiencing difficulty in the acquisition of foundational literacy skills, *Acadience Reading Solutions* provide early literacy support to prevent later reading difficulties.

Acadience Reading helps teachers identify children at risk for reading difficulties and determine the skills to target for instructional support. *Acadience Reading K-6*:

- provides universal screening
- detects when students need extra support
- is sensitive to effects of intervention
- supports the RtI/Multi-tiered model

3 INTENTIONAL STRATEGIES

1. Find a universal screener that could provide us accurate data.

2. Move from Targeted Title I to School-Wide Title I and added Instructional Leaders

3. Review of State Standards and alignment to Science of Reading.

OUR WHY

- Every student deserves the best teacher.
- Every teacher deserves the best supports.

Do the best you can until
you know better.

Then when you know better,
do better.

-Maya Angelou

Instructional Leader Responsibilities

Interventions

- School-wide title
- "What I Need" WIN groupings - all students
- Cross grade levels
- All hands on deck- all adults participate
- 10 - 15 day cycles

Manage PLCs

- Grade level data
- Universal data / assessments
- Common lesson planning
- Intervention grouping
- Collective efficacy
- 2 hours/ week

Coaching

- All teachers
- Jill Jackson, Jim Knight, Robert Marzano
- Tiered similar to students
- Classroom Management, Lesson Planning, Interventions
