

**Water Management Board**  
**Remote Meeting Via Audio/Visual Conference**  
**May 6, 2020**

To listen live, please visit <https://www.sd.net> and follow the link to the livestream.

If you are a party to an item on the agenda or if you wish to participate during the public comment period, you have two options to participate:

**Option 1.** Audio only - please call:

**605-679-7263**

Enter conference ID when prompted:

**100 780 985#**

**Option 2.** Participate using both audio and visual via the internet using Microsoft Teams. To be seen and heard requires a device equipped with a camera and microphone or you can watch only and use Option 1 to participate by audio. No software install is necessary, the recommended web browser to use is either Microsoft Edge (not Internet Explorer) or Google Chrome.

To participate, use this link: [Join Microsoft Teams Meeting](#)
