RUSSELL A. OLSON  
AUDITOR GENERAL

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

The Honorable Kristi Noem  
Governor of South Dakota

and

South Dakota Board of Water and Natural Resources

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Clean Water State Revolving Fund, a component unit of the State of South Dakota, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Clean Water State Revolving Fund's basic financial statements, and have issued our report thereon dated October 14, 2022.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the South Dakota Board of Water and Natural Resources' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the South Dakota Board of Water and Natural Resources' internal control. Accordingly, we do not express an opinion on the effectiveness of South Dakota Board of Water and Natural Resources' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the South Dakota Board of Water and Natural Resources' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. As required by South Dakota Codified Law 4-11-11, this report is a matter of public record and its distribution is not limited.

A handwritten signature in black ink that reads "Russell A. Olson". The signature is written in a cursive, flowing style.

AUDITOR GENERAL

## INDEPENDENT AUDITOR'S REPORT

The Honorable Kristi Noem  
Governor of South Dakota

and

South Dakota Board of Water and Natural Resources

### Report on the Audit of the Financial Statements

#### ***Opinion***

We have audited the financial statements of the Clean Water State Revolving Fund, a component unit of the State of South Dakota, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Clean Water State Revolving Fund's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Clean Water State Revolving Fund as of June 30, 2022, and the changes in financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the South Dakota Board of Water and Natural Resources and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Emphasis of Matter***

As discussed in Note 1, the financial statements present only the Clean Water State Revolving Fund and do not purport to, and do not, present fairly the financial position of the South Dakota Board of Water and Natural Resources as of June 30, 2022, the changes in its financial position, or, where applicable, its cash flows for the

year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the South Dakota Board of Water and Natural Resources' ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the South Dakota Board of Water and Natural Resources' internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Clean Water State Revolving Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 6-8 and the Schedules of Proportionate Share of the Net Pension Liability (Asset) and Employer Contributions on pages 22-23 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated October 14, 2022 on our consideration of the South Dakota Board of Water and Natural Resources' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the South Dakota Board of Water and Natural Resources' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering South Dakota Board of Water and Natural Resources' internal control over financial reporting and compliance.

Russell A. Olson, Auditor General  
Pierre, South Dakota

SOUTH DAKOTA BOARD OF WATER AND NATURAL RESOURCES  
CLEAN WATER STATE REVOLVING FUND

**MANAGEMENT'S DISCUSSION AND ANALYSIS**

This section of the South Dakota Board of Water and Natural Resources Clean Water State Revolving Fund's (Fund) financial report presents a narrative overview and analysis of the financial activities of the Fund for the fiscal year ended June 30, 2022. This analysis has been prepared by management of the Department and is intended to be read in conjunction with the Fund's financial statements and related footnotes which follow this section.

**OVERVIEW OF THE FINANCIAL STATEMENTS**

This discussion and analysis is intended to serve as an introduction to the Fund's basic financial statements. The Fund's basic financial statements include: 1) Statement of Net Position, 2) Statement of Revenues, Expenses and Changes in Fund Net Position, 3) Statement of Cash Flows, and 4) Notes to the Financial Statements.

The Statement of Net Position presents information on all of the Fund's assets and liabilities, with the difference between the two reported as net position. The Statement of Revenues, Expenses and Changes in Fund Net Position presents information showing how the Fund's net position changed during the most recent fiscal year.

The Statement of Cash Flows presents the Fund's flows of cash by defined categories. The primary purpose of the Statement of Cash Flows is to provide information about the Fund's cash receipts and payments during the year.

The Notes to the Financial Statements are an integral part of the financial statements and provide additional information that is essential to a full understanding of the data provided in the financial statements.

**DEBT ADMINISTRATION**

The Clean Water Fund is authorized to issue revenue bonds for the purpose of financing loans and other types of financial assistance to qualified communities or local agencies for clean water projects.

The Fund's bonds are rated AAA with a positive outlook by Standard and Poor's and Aaa by Moody's Investor Service.

More detailed information about the Authority's debt can be found in Note 4, Long-Term Debt.

CLEAN WATER STATE REVOLVING FUND

**MANAGEMENT'S DISCUSSION AND ANALYSIS**

**ANALYSIS OF BALANCES AND TRANSACTIONS OF THE CLEAN WATER STATE  
REVOLVING FUND**

**Changes in Net Position**

For the fiscal year ended June 30, 2022, net position of the Fund increased \$2,431,507. This increase is the result of a decrease in liabilities and an increase to interest expense and grant expense.

**CURRENT CONDITIONS**

The state is challenged demographically with a large number of small rural communities and only two cities with populations over 50,000 people. The Clean Water State Revolving Fund Program assists the state in meeting these challenges and infrastructure needs. In state fiscal year 2022, the Clean Water State Revolving Fund obligated \$482.473 million to 84 projects.

**SOUTH DAKOTA BOARD OF WATER  
AND NATURAL RESOURCES  
CLEAN WATER STATE REVOLVING FUND  
NOTES TO THE FINANCIAL STATEMENTS  
June 30, 2022**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Authorizing Legislation**

The 1988 South Dakota Legislature authorized the State Water Pollution Control Revolving Loan Fund Program, also known as the Clean Water State Revolving Fund (CWSRF) Loan Program. Additionally, the legislature appropriated \$1,200,000 and directed the South Dakota Conservancy District (SDCD) to administer the program. The SDCD was created by the Legislature under Chapter 46A-2 of the South Dakota Codified Law as a body politic and corporate for the purpose of constructing water resource facilities for the conservation, storage, distribution and utilization of water for municipal purposes within the State of South Dakota. The SDCD bonds do not constitute a debt of the State of South Dakota, or a pledge of the faith and credit of the State. Because the State of South Dakota is able to impose its will over the SDCD and the governing body is substantively the same as the governing body of the primary government, it is considered a blended component unit and, as such, the accompanying financial statements are included in the Annual Comprehensive Financial Report of the State of South Dakota. The Department of Agriculture and Natural Resources performs all of the functions of the South Dakota Conservancy District, except for quasi-legislative, quasi-judicial, advisory, and special budgetary functions, which are performed by the Board of Water and Natural Resources acting in its capacity as the Conservancy District. The CWSRF is a low interest loan program to finance the construction of wastewater facilities, storm sewers and non-point source pollution control projects. The program was created by the 1987 Clean Water Act amendments. Funds are provided to the states in the form of capitalization grants awarded annually through the United States Environmental Protection Agency. The federal capitalization grants are matched by state funds at a ratio of 5:1.

**B. Fund Accounting**

The CWSRF is accounted for as an enterprise fund. An enterprise fund is a proprietary fund type used to report an activity for which a fee is charged to external users for goods or services.

**C. Basis of Accounting**

The CWSRF follows the accrual basis of accounting. This method of accounting recognizes the financial effect of transactions, events, and interfund activities when they occur, regardless of the timing of related cash flows.

**D. Cash and Cash Equivalents**

For purposes of the accompanying statement of net position and statement of cash flows all highly liquid investments with original maturities of 90 days or less are considered to be cash equivalents.

#### E. Investments

Investments are reported at fair value except for Guaranteed Investment Contracts, which are nonparticipating and, therefore, are recorded at carrying value. Unrealized gains and losses due to fluctuations in market value are included in investment income.

#### F. Premiums and Deferred Amounts on Refunding

Premiums and the deferred amount of refunding on bonds are amortized using the straight-line method over the life of the bonds to which they relate.

#### G. Revenue and Expense Recognition

Enterprise funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering items in connection with an enterprise fund's principal ongoing operations. The CWSRF records all revenues derived from interest on loans as operating revenues since these revenues are generated from the CWSRF's daily operations needed to carry out its purpose. Operating expenses include grants and subsidies, and contractual service expenses related to the administration of the CWSRF program.

#### H. Federal Capitalization Grant

Federal capitalization grants reported as nonoperating income in the statement of revenues, expenses, and changes in fund net position is a federally funded loan program. Information about the program is as follows:

CFDA Number:	66.458
Federal Agency:	Environmental Protection Agency
Program:	Clean Water State Revolving Fund
State Agency:	Agriculture & Natural Resources
Current Year	
Administrative Expense:	\$401,407
Loan Disbursement:	\$16,608,187

#### I. Net Position

Net Position is classified in the following two components:

- Restricted - Consists of net position with constraints placed on their use by (1) Master Trust Indenture and (2) law through enabling legislation.
- Unrestricted - Consists of net position that does not meet the definition of net investment in capital assets or restricted.

#### J. Pension

For purposes of measuring the net pension liability (asset), deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the South Dakota Retirement System (SDRS) and additions to/deletions from SDRS's fiduciary net position have been determined on the same basis as they are reported by SDRS. CWSRF contributions and net pension liability (asset) are recognized on an accrual basis of accounting.

## K. Deferred Outflows of Resources and Deferred Inflows of Resources

In addition to assets, the Statement of Net Position reports a separate section for deferred outflows of resources. Deferred outflows of resources represent consumption of net position that applies to future period or periods. These items will not be recognized as an outflow of resources until the applicable future period.

In addition to liability, the Statement of Net Position reports a separate section for deferred inflows of resources. Deferred inflows or resources represent acquisitions of net position that applies to a future period or periods. These items will not be recognized as an inflow or resources until the applicable future period.

## 2. CASH AND INVESTMENTS

### Cash

Cash and Cash Equivalents at the end of FY22 consisted of Federated Government Obligations Funds. The South Dakota Conservancy District has adopted an Investment Policy to supplement the provisions of the Master Trust Indenture, various Series Resolutions and supplemental indentures and certain tax regulatory agreements related to the investment of funds.

Federated Government Obligations Fund was rated AAAm by Standard and Poor's Rating Group and as of 6/30/22 had a total annualized return of .02%.

### Investments

Investments must be categorized within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the assets. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

US Bank which serves as trustee to the CWSRF uses a pricing service, FT Interactive, to value investments. FT Interactive uses market approach pricing which utilizes models and pricing systems as well as mathematical tools and pricing analyst judgment. All CWSRF investments are priced by this service, which is not quoted prices in an active market, but rather significant other observable inputs; therefore, the investments are categorized as Level 2.

*Interest Rate Risk:* Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The maturities of the investments as of June 30, 2022 are listed below.

Level 2

Investment	Maturities	Fair Value
US Treasury Bond	09/30/2022	\$ 3,983,360
US Treasury Bond	08/15/2022	2,750,605
US Treasury Bond	02/28/2023	1,720,268
US Treasury Bond	01/31/2024	3,460,205
		<b>\$ 11,914,438</b>

Investment	Maturities	Fair Value
Federal Agency Bond	07/21/2022	\$ 1,498,590
Federal Agency Bond	09/08/2023	2,204,407
Federal Agency Bond	07/01/2022	15,500,000
Federal Agency Bond	02/17/2023	991,760
Federal Agency Bond	09/06/2022	4,247,067
Federal Agency Bond	05/22/2023	6,107,687
Federal Agency Bond	12/20/2023	1,207,600
Federal Agency Bond	10/16/2023	999,294
Federal Agency Bond	06/19/2023	1,496,475
Federal Agency Bond	06/02/2023	1,461,660
Federal Agency Bond	04/27/2023	1,710,747
Federal Agency Bond	06/26/2023	973,550
Federal Agency Bond	03/09/2023	7,960,160
		<b>\$ 46,358,997</b>

**Credit Risk:** Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations to the CWSRF.

Excluding investments explicitly guaranteed by the U.S. Government which are not considered to have credit risk, the CWSRF held Federal Agency Bonds with a fair value of \$46,358,999 which were rated AAA by Moody's Investor Services.

**Custodial Credit Risk:** Custodial credit risk is the risk that in the event of a bank failure, the CWSRF's investments may not be returned. As of June 30, 2022, \$88,170,172 of guaranteed investment contracts were uninsured and unregistered, with the securities held by its trust department, but not in the CWSRF's name and, as a result, were exposed to custodial credit risk. Also, investments were made in US Treasury Bonds with a market value of \$11,914,438 and in Federal Agency Bonds with a market value of \$46,358,997 were exposed to custodial credit risk.

### *Guaranteed Investment Contracts (GICS):*

The CWSRF holds the following GICS where the rate of return is guaranteed.

	<u>Maturities</u>	<u>Contract Value</u>
Guaranteed Investment Contract	8/01/2025	\$ 17,150,943
Guaranteed Investment Contract	8/01/2026	71,019,229
		<u>\$ 88,170,172</u>

The South Dakota State Revolving Fund Master Trust Indenture requires any investment agreement to be with a guarantor whose long-term rating category is no lower than the two highest long-term rating categories. The investment is rated by Moody's Investors Service. The ratings for Guaranteed Investment Contracts are as follows:

<u>Moody's Rating</u>	<u>Contract Value</u>
Baa1*	<u>\$ 88,170,172</u>

\* These guarantor's ratings are below the acceptable rating category (i.e., below Moody's Aa3). The Guaranteed Investment Contract investments have been fully collateralized with government securities in accordance with the provisions of Guaranteed Investment Contracts. These fully collateralized investments have a fair value that equates to contract value.

### **3. LOANS RECEIVABLE**

Loans receivable consist of loans made to local governments through a loan agreement. In order for a borrower to receive a loan, evidence must be shown that the principal and interest of the loan will be repaid. Therefore, each local government must show the ability to impose utility rates, levy special assessments or collect sales taxes that will generate enough revenue to equal at least 110% of the annual principal and interest on the loan. Loans made from the CWSRF may be made at or below market interest rates and shall be fully amortized within thirty years of the date which is not more than one year following completion of the project financed. Interest rates are reduced for those loans shorter than thirty years.

The allowance for doubtful accounts is determined principally on the basis of loans that are in default. Receivables are reported at the gross amount and an allowance for doubtful accounts would reduce loan receivables by the outstanding loan balances that are in default. As of June 30, 2022, the District has no loans that are in default. Loans in default would be expensed only after it has been determined the collection process has been exhausted and all legal actions have been finalized.

#### 4. LONG-TERM DEBT

The revenue bond issues outstanding as of June 30, 2022 are as follows:

Issue	Interest Rate	Maturity Through FY	Principal Balance
Series 2010AB			
Build America Bonds (BABs)			
State Match	4.684% - 5.646%	2031	\$ 2,010,000

Total			266,463,985
Add: Unamortized Bond Premium			50,793,873
Total Net of Amortization			<u>\$ 317,257,858</u>

Future bond payments and future interest payments remaining as of June 30, 2022 are as follows:

Year Ended June 30,	Principal	Interest	Total Principal and Interest
2023	\$ 15,335,000	\$ 12,657,132	\$ 27,992,132
2024	16,520,000	11,956,540	28,476,540
2025	17,130,000	11,180,916	28,310,916
2026	17,760,000	10,364,145	28,124,145
2027	16,852,861	9,536,482	26,389,343
2028-2032	77,871,124	35,772,884	113,644,008
2033-2037	61,835,000	18,117,575	79,952,575
2038-2042	37,195,000	5,352,125	42,547,125
2043	5,965,000	149,125	6,114,125
<b>TOTAL</b>	<b>\$ 266,463,985</b>	<b>\$ 115,086,924</b>	<b>\$ 381,550,909</b>

#### Changes in long-term liabilities

	Beginning Balance	Additions	Reductions	Ending Balance	Due Within One Year
Revenue Bonds	\$ 281,148,985	\$ -	\$ (14,685,000)	\$ 266,463,985	\$ 15,335,000
Add: Bond Premium	54,064,734	-	(3,270,861)	50,793,873	3,270,858
Total	335,213,719	-	(17,955,861)	317,257,858	18,605,858
Compensated Absences	15,348	18,442		33,790	18,068
Long-Term Liabilities	<u>\$ 335,229,067</u>	<u>\$ 18,442</u>	<u>\$ (17,955,861)</u>	<u>\$ 317,291,648</u>	<u>\$ 18,623,926</u>

## 5. REFUNDED BONDS

The SDCD entered into a refunding whereby refunding bonds have been issued to facilitate defeasance of the District's obligation with respect to certain bond issues. The proceeds of the refunding issues have been placed in irrevocable escrow accounts and invested in U.S. Treasury obligations that, together with interest earned thereon, will provide amounts sufficient for future payments of interest and principal on the issues being refunded. Refunded bonds and the related assets held in the trust are not included in the accompanying financial statements since the District has satisfied its obligations with respect thereto through consummation of the refunding transactions.

Fully defeased bonds not yet paid to bondholders as of June 30, 2022, are as follows:

Bond Issues	Year of Defeasance	Original Amount Defeased
Series 2012B (01)	2018	\$ 725,000
Series 2012B	2018	26,190,000
		<u>\$ 26,915,000</u>

Series 2012B (01) and Series 2012B that were escrowed will be called on August 1, 2022.

## 6. COMMITMENTS

As of June 30, 2022, the CWSRF had loan commitments with borrowers worth \$109,415,793.

## 7. PENSION PLAN

The Department of Agriculture and Natural Resources, (DANR), participates in the South Dakota Retirement System (SDRS), a cost-sharing, multiple-employer defined benefit pension plan established to provide retirement, disability, and survivor benefits for employees of the State and its political subdivisions. Authority for establishing, administering, and amending plan provisions is found in SDCL 3-12. The SDRS issues a publicly available financial report that includes financial statements, footnote disclosures, and required supplementary information. That report may be obtained by contacting the SDRS in writing at South Dakota Retirement System, P.O. Box 1098, Pierre, SD 57501-1098 or by calling (605) 773-3731. Additionally, the State of South Dakota's Annual Comprehensive Financial Report (ACFR) will report the State's proportionate share of the plan. The ACFR can be obtained by writing to the Department of Legislative Audit, 427 South Chapelle, c/o 500 East Capitol, Pierre, South Dakota 57501 or by calling (605)773-3595.

State law requires employees to contribute 6 percent of their salary to the plan and the employer to contribute an amount equal to the employee's contribution. The right to receive retirement benefits vests after three years of credited service. DANR contributions to the SDRS for the fiscal years ended June 30, 2022, 2021, and 2020 were \$14,174, \$14,895, and \$17,696, respectively, equal to the required contributions each year.

The net pension asset was measured as of June 30, 2021 and the estimated SDRS was 100% funded. At June 30, 2022, CWSRF reported an asset of \$83,788 for its proportionate share of the net pension asset. At June 30, 2022, deferred outflows of resources and deferred inflows of resources related to pensions were reported from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$ 3,008	\$ 220
Changes in assumption	96,356	41,960
Net difference between projected and actual earnings on pension plan investments		119,693
Changes in Proportionate Share	308	21,671
Contributions after the measurement date	14,174	
Total	<u>\$ 113,846</u>	<u>\$ 183,544</u>

## **8. ANNUAL AND SICK LEAVE ACCRUAL**

All employees earn annual leave. Upon termination, employees are eligible to receive compensation for their accrued annual leave balances. At June 30, 2022, a liability existed for accumulated annual leave calculated at the employee's June 30, 2022 pay rate. Employees who have been continuously employed by the State of South Dakota for at least seven years prior to the date of their retirement, voluntary resignation or death will receive payment for one-fourth of their accumulated sick leave balance. This payment is not to exceed the sum of twelve weeks of employee's annual compensation. The total leave liability of \$33,790 at June 30, 2022 is shown as a liability on the statement of net position.

## **9. RISK MANAGEMENT**

The Board of Water and Natural Resources and the Department of Agriculture and Natural Resources are exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Department participates in the various programs administered by the State of South Dakota. These risk management programs are funded through assessments charged to participating entities. The risk management programs include; 1) coverage for risks associated with automobile liability and general tort liability (including public officials' errors and omissions liability, medical malpractice liability, law enforcement liability, and products liability) through the State's Public Entity Pool for Liability Fund, 2) coverage of employee medical claims through the State's health insurance program, 3) coverage for unemployment benefits through the State's Unemployment Insurance Fund, and, 4) coverage for workers' compensation benefits through the State's Workers' Compensation Fund, 5) coverage for property loss through the South Dakota Property and Casualty Insurance Company, LLC. Financial information relative to the self-insurance funds administered by the State is presented in the State of South Dakota Annual Comprehensive Financial Report.

## **10. SUBSEQUENT EVENTS**

On October 12, 2022, the South Dakota Conservancy District issued State Revolving Fund Program Bonds, Series 2022AB totaling approximately \$165,845,000. The Series 2022A Bonds are taxable bonds being issued to provide funds sufficient, together with other available moneys, (a) to provide funds in the approximate amount of \$7,695,000 to be deposited to the Clean Water State Match Loan Account established with respect to the Series 2022A Bonds which, together with amounts derived from EPA and deposited into the Federally Capitalized Loan Account, are to be loaned to Borrowers, (b) to provide funds in the approximate amount of \$12,925,000 to be deposited to the Drinking Water State Match Loan Account established with respect to the Series 2022A Bonds which, together with amounts derived from EPA and deposited into the Federally Capitalized Loan Account, are to be loaned to Borrowers, (c) to provide funds in the approximate amount of \$38,000,000 to be deposited to the Drinking Water Leveraged Loan Account established with respect to the Series 2022A Bonds which funds are to be loaned to Private Activity Borrowers, and (d) to provide funds to pay associated costs of issuance.

The Series 2022B Bonds are tax exempt bonds being issued to provide funds sufficient, together with other available moneys, (a) to provide funds in the approximate amount of \$72,400,000 to be deposited to the Clean Water Leveraged Loan Account established with respect to the Series 2022B Bonds which funds are to be loaned to Borrowers, (b) to provide funds in the approximate amount of \$34,900,000 to be deposited to the Drinking Water Leveraged Loan Account established with respect to the Series 2022B Bonds which funds are to be loaned to Borrowers, and (c) to pay associated costs of issuance.
