Please provide an assessment of the effects achieved from the expenditure of state 911/E911 or NG911 funds, including any criteria your state or jurisdiction uses to measure the effectiveness of the use of 911/E911 fees and charges. If your state conducts annual or other periodic assessments, please provide an electronic copy (e.g., Word, PDF) of the latest such report upon submission of this questionnaire to the FCC or provide links to online versions of such reports in the space below.**

We monitor the appropriate use of the 911 funds by the counties and PSAPs, i.e. allowable recurring and non-recurring costs, and we do this through an annual financial audit. Additionally, we review the PSAPs for compliance with the minimum operational, technical and financial standards that are set forth in Administrative Rules by the 911 Coordination Board. This is performed through an on-site visit to the PSAP to complete the review checklist.
