Expires: March 31, 2025
Estimated time per response: 10-55
hours

Annual Collection of Information

Related to the Collection and Use of 911 and E911 Fees by States and Other Jurisdictions

Pursuant to OMB authorization 3060-1122, the FCC’s Public Safety and Homeland Security Bureau (the Bureau) seeks the following specific information in order to fulfill the Commission’s obligations under Section 6(f)(2) of the NET 911 Act, as amended by Section 902.¹

Instructions for Filling Out the Questionnaire

Please read and follow these general instructions:

- Please complete all sections of this form.
- Please enter only numeric responses where requested.
 - Dollar or percentage signs, decimal points, and thousands separator commas are acceptable.
 - Blank responses, “None”, “Unknown”, or “N/A” are also acceptable.
 - To facilitate the Bureau’s calculations for the Annual Fee Report, please avoid stray characters such as: *, ~, (), or [] in numeric responses.
- Use the associated Addendum fields to enter other information, such as footnotes, qualifiers, text, descriptions, and/or explanations.
- All responses should pertain to calendar year (January 1 – December 31), not fiscal year.
- Unless otherwise directed, please provide requested information directly on this form, rather than submit, refer to, and/or rely on supplemental materials.
- Please consolidate separate response forms (and/or responses to individual questions) completed by counties, municipalities, or other local jurisdictions into one response form for the entire state, using sums and averages as appropriate.

B. Overview of State or Jurisdiction 911 System

B1. Please provide the total number of active primary and secondary Public Safety Answering Points (PSAPs) in your state or jurisdiction that received funding derived from the collection of 911/E911 fees during the annual period ending December 31, 2022. PSAPs that did not receive funding derived from the collection of 911/E911 fees need not be included in the response boxes, but may be reported in Addendum Section B1.

PSAP Type ²	Number of PSAPs
Primary	32
Secondary	1
Total	33

Addendum Section B1
Data provided in this report is for the 28 primary PSAPs that are on the sate hosted NG9-1-1 system. No reporting data is availalable for the remaining PSAPs as follows: 3 Tribal, 1 Department of the Interior/Burean of Indian Affairs, and one secondary PSAP, located on Ellsworth Air Force Base.

² A Primary PSAP is one to which 911 calls are routed directly from the 911 Control office. A secondary PSAP is one to which 911 calls are transferred from a Primary PSAP.  34-45-8.6. Distribution of revenue to compliant public agencies and to public safety 911 emergency fund and 911 coordination fund.
 The Department of Revenue shall transfer the surcharges collected pursuant to §§ 34-45-4 and 34-45-4.2 to the Department of Public Safety. The Department of Public Safety shall remit each month seventy percent of the revenue collected from the 911 emergency surcharges imposed by § 34-45-4 to the public agency where the surcharges were collected. However, if the public safety answering point is not in compliance with the standards for operation and utilization of public safety answering points as determined by the board, the board shall notify the public agency

receiving the revenue. If within ninety days the public safety answering point serving the public agency does not become compliant with the standards for operation or utilization or submit a plan to the board to be approved by the board, detailing how the public safety answering point will become compliant, the Department of Public Safety shall withhold the revenue from the public agency. If within one hundred eighty days of the notice given to the public agency, the public safety answering point does not become compliant or receive approval from the board of the plan to become compliant, the revenue collected within the public agency shall be deposited into the public safety 911 emergency fund created pursuant to § 34-45-8.7. If within one hundred eighty days of the notice given to the public agency, the public safety answering point becomes compliant or receives approval from the board of a plan to become compliant, any revenue to the public agency withheld by the department shall be remitted to the public agency. The secretary of the Department of Public Safety shall approve vouchers and the state auditor shall draw warrants to pay each public agency its share of the distribution. The Department of Public Safety shall deposit thirty percent of the revenue collected from the 911 emergency surcharges imposed by § 34-45-4 into the public safety 911 emergency fund created pursuant to § 34-45-8.7. The Department of Public Safety shall deposit all of the revenue collected from the prepaid wireless service surcharge imposed by § 34-45-4.2 into the South Dakota 911 coordination fund created pursuant to § 34-45-12.

D. Description of State or Jurisdictional Authority That Determines How 911/E911 Fees are Spent

D1. Indicate which entities in your state have the authority to approve the expenditure of funds collected for 911 or E911 purposes. Check one.

- The State has authority to approve the expenditure of funds
- One or more local authorities has authority to approve the expenditure of funds...
- A hybrid approach where two or more governing bodies (e.g., state or local authority) have authority to approve the expenditure of funds

D1a. Please briefly describe any limitations on the approval authority per jurisdiction (e.g., limited to fees collected by the entity, limited to wireline or wireless service, etc.).

There are not any limitations to the surcharges set in codified law listed previously.

34-45-12. 911 coordination fund--Distributions to public safety answering points.
 There is hereby created within the state treasury the South Dakota 911 coordination fund. Any funds collected from prepaid wireless telecommunications service pursuant to § 34-45-4.2 shall be deposited in the South Dakota 911 coordination fund. Any money in the South Dakota 911 coordination fund is continuously appropriated for reimbursement of allowable nonrecurring and recurring costs of 911 service and operating expenses of the board. The board shall authorize disbursements from the fund pursuant to this chapter for the expenses of the board and for approved nonrecurring and recurring costs requested by the governing body of eligible 911 public safety answering points. The board may solicit proposals to coordinate and implement an upgrade to the 911 emergency service system of all public safety answering points. The funds may be disbursed for the purpose of planning, coordinating, purchasing, installing, maintaining, and operating, an upgrade to the 911 emergency services system. Any interest earned on money in the fund shall be credited to the fund.

D2b. If you checked NO, describe how your state or jurisdiction decides how collected funds can be used.

E. Description of Uses of Collected 911/E911 Fees

E1. Provide a statement identifying with specificity all activities, programs, and organizations for whose benefit your state, or political subdivision thereof, has obligated or expended funds collected for 911 or E911 purposes and how these activities, programs, and organizations support 911 and E911 services or enhancements of such services.

Local PSAPs are allowed to expend 911 surcharge funds on personnel costs, CPE, CAD, radio, mapping, recorders, workstation equipment, training, consoles, HVAC, building rental maintenance, 911 trunks, and uniforms. Most any costs within the walls of the PSAP or directly related to operating 911 are allowable. The purchase, upkeep and utilization of this equipment allows the PSAPs to provide efficient and effective handling of 911 related needs.

G. Description of Diversion or Transfer of 911/E911 Fees for Other Uses

For the purposes of this questionnaire, diversion is the obligation or expenditure of a 911 fee or charge for a purpose or function other than the purposes and functions identified in 47 CFR § 9.23 of the Commission’s rules as acceptable.

Question	Yes	No
G1. In the annual period ending December 31, 2022, were funds collected for 911 or E911 purposes in your state or jurisdiction obligated or expended solely for acceptable purposes and functions as provided under 47 CFR § 9.23? Check one.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
G1a. If NO, please identify what amount of funds collected for 911 or E911 purposes were obligated or expended for purposes or functions other than those designated as acceptable under 47 CFR § 9.23, including any funds transferred, loaned, or otherwise used for the state's general fund. Along with identifying the amount, please include a statement identifying the purposes or functions for such funds.		
Amount of Funds (\$)	Identify the purposes or functions other than those designated as acceptable by the Commission for which the 911/E911 funds were obligated or expended. (If you need more rows for your response, please enter the information in Addendum Section G1.)

Safe Harbor for Multi-Purpose Fees. Section 9.23(d) of the rules provides an elective safe harbor for states and taxing jurisdictions that designate multi-purpose fees or charges for “public safety,” “emergency services,” or other similar purposes where a portion of those fees or charges supports 911 services. *See* 47 CFR § 9.23(d). The rule provides that the obligation or expenditure of such a fee or charge will not constitute diversion if the state or taxing jurisdiction (i) specifies the amount or percentage of such fees or charges that is dedicated to 911 services; (ii) ensures that the 911 portion of such fees or charges is segregated and not commingled with any other funds; and (iii) obligates or expends the 911 portion of such fees or charges for acceptable purposes and functions as defined under the Commission’s rules.

G3. Does your state or taxing jurisdiction collect multi-purpose fees or charges designated for “public safety,” “emergency services,” or other similar purposes where a portion of those fees or charges supports 911 services?⁵ Check one.

- Yes
- No

If YES to G3, please answer Questions G3a – G3c below. If NO to G3 above, leave Questions G3a – G3c below blank.

⁵ For purposes of this question, please report only multi-purpose fees or charges “applicable to commercial mobile services, IP-enabled voice services, or other emergency communications services,” where a portion of those fees or charges supports 911 services. 47 CFR § 9.22. Please do not report multi-purpose fees or charges applicable to other types of items (e.g., do not report multi-purpose fees on real estate where a portion of those fees supports 911 services).

K. Measuring Effective Utilization of 911/E911 Fees

K1. Please provide an assessment of the effects achieved from the expenditure of state 911/E911 or NG911 funds, including any criteria your state or jurisdiction uses to measure the effectiveness of the use of 911/E911 fees and charges. If your state conducts annual or other periodic assessments, please provide an electronic copy (e.g., Word, PDF) of the latest such report upon submission of this questionnaire to the FCC or provide links to online versions of such reports in the space below.

Compliance reviews are completed by the State 9-1-1 Coordinator for PSAPs receiving State 9-1-1 surcharge funds. Operational, training, and financial standards are reviewed, as are equipment and facilities to ensure proper procedures are in place for the effective operation of a PSAP. Local jurisdictions must also submit an annual report detailing their 911 fund expenditures which is reviewed by the State 9-1-1 Coordinator.

L. Underfunding of 911

For the purposes of this questionnaire, underfunding occurs when funding levels are below the levels required for optimal performance of 911 operations.

L1. Describe the impact of any underfunding of 911 services in your state or taxing jurisdiction during the annual period ending December 31, 2022. Indicate N/A if your state or taxing jurisdiction did not experience underfunding.

N/A

L2. Describe how any fee diversion affected 911 underfunding in your state or taxing jurisdiction during the annual period ending December 31, 2022. Indicate N/A if your state or taxing jurisdiction did not divert.
