

**Statewide Independent Living Council
SILC Member/Staff SPIL Activities Reporting Form**

Goal 1: Increase awareness of independent living services in South Dakota

Objective IL partners (DSE, SILC, CILs) will attend local vendor markets, health fairs and other community events to talk about services and provide resources.

Indicator: Track the number of events attended by IL partners on a quarterly basis; information to be collected through the CIL quarterly report and reported at SILC quarterly meetings; IL partners provide updates and report at SILC quarterly meetings. Target: Attend 15 events annually.

Identify in the following table, activities that you have participated in or organized to talk about services and/or provided resources (i.e., community event, health fair).

Description of Activity	Date of Activity	Location of Activity	Participate or Organize

Goal 2: Ensure people with disabilities residing in South Dakota have access to IL services.

Objective: Identify underserved populations and locations.

Indicator: Track input from public comment/received communication; or attendance of an IL Network partner at other public meeting (to include information obtained through either CIL or DSE quarterly reports) about needs of underserved populations or locations.

Target Date: Information collected/reported quarterly at SILC quarterly meetings.

Identify in the following table, the event or activity attended, date and location of event, and describe content of input/public comment received about needs of underserved populations/locations.

Description of Activity/Meeting Attended	Date of Activity/Meeting	Location of Activity	Public Comment Received/Received Communication

Goal 3: The SILC and CILs will identify systemic issues with accessible housing and transportation.

Objective: SILC members/staff and CIL staff will make efforts to participate in community events where accessible housing or transportation needs for people with disabilities are likely to be discussed.

Indicator: Track the number(s) and type of meeting(s) attended by SILC and CIL staff in their area; report at SILC quarterly meetings any issue raised or addressed at given meeting. Target: Annually, SILC or CIL staff will attend at least six meetings;

Identify in the table below, date(s) of community events or meetings where accessible housing or transportation needs for people with disabilities are likely to be discussed, what housing and/or transportation needs were identified and if anything was shared/learned.

Community event or meeting attended	Date of Activity	What Housing or Transportation Needs Discussed/What information was shared/learned

Objective: The SILC will identify and review existing housing and transportation resources.

Indicator: Identify and track the number, type and accessibility of available resources; share with IL Network; track and report communication with state/organization responsible for resource(s) about need for updates/changes, information will be reported out at SILC’s quarterly meetings. Target: Ongoing throughout the reporting period.

Identify in the table below, type of available resource(s) discovered and shared with the IL Network, and if any updates or needed changes were identified, and who this information was shared with (i.e., housing director, transit provider) and by whom (SILC member/CIL staff).

Identify type/available resources (i.e., housing, transportation)	Identified Need for any updates/changes	Who was this communicated to and by whom?

Objective: IL partners will determine if a statewide housing resource is necessary, and if so, begin developing such resource.

Indicator: Review and identify information that currently exists, or identify resource or information that is lacking (made known through SILC quarterly meetings or public input) and communicate need to state/organization responsible and encourage need for update/changes; or create needed resource by September 2023. Target: Review of information will be ongoing; if resource/information is identified as needed; SILC will create resource by September 2023.

Identify in the table below, housing related resources identified, and if any changes are needed to make accessible to persons with disabilities, identify who the responsible entity is to make the changes/updates and communicate the need for changes/updates; or create needed resource to be utilized by people with disabilities.

Information or resource(s) identified/available	Identified Need for any updates/changes	Who was this communicated to and by whom?	Is resource or information need to be created, and if so, by whom (i.e., entity, SILC, etc.)
