

2020 Annual Report
South Dakota Professional Administrators Practices and Standards Commission

The Professional Administrators Practices and Standards Commission hereby files this report with the South Dakota Board of Education Standards.

The Commission is charged with the responsibility of reviewing possible violations of the code of ethics for administrators. When the Commission determines that cause exists to believe an administrator has violated the code of ethics, the Commission holds a contested case hearing. Ultimately, the Commission may reprimand or recommend a disciplinary action which may be implemented by the appropriate governing body against a member of the teaching profession, if the member has been determined by the Commission to have violated the code of ethics established under SDCL 13-43-45. If the Commission determines that proceedings to revoke or suspend the certificate of an administrator should be instituted, the Commission files a written complaint with the Secretary of the South Dakota Department of Education.

During calendar year 2020, the Commission received six complaints. The Commission met on four occasions; the Commission held one contested hearing in 2020. The Commission dismissed four complaints and issued one private reprimand in 2020. There is one complaint pending at the end of 2020.
