Accountant's Compilation Report

To the Board of Directors
South Dakota Economic Development Finance Authority
Pierre, South Dakota

Management is responsible for the accompanying financial statements of South Dakota Economic Development Finance Authority (a Non-Major Component Unit of the State of South Dakota) as of September 30, 2017, and the related statements of revenues, expenses and changes in net fund assets and cash flows for the three months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Entity's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to South Dakota Economic Development Finance Authority.
