RE: Fiscal Year 2017 Annual Report
(July 1, 2016 – June 30, 2017)

It is a pleasure to share the South Dakota Arts Council's FY 2017 annual report with you. This report marks the end of a three-year strategic plan, which prioritized greater public awareness of the arts across South Dakota to help cultivate sustained public and private support for arts organizations and programs and to ensure all South Dakotans have the opportunity to experience and participate in the arts.

The State Arts Council strives to ensure equitable access to the arts for all South Dakota citizens and to make a positive contribution to the experiences of those who visit us. For more than 50 years, we have accomplished this mission by providing funds and services to artists, arts organizations, non-profit groups, schools and the public.

In FY17, the Arts Council awarded more than 450 grants, supported with funds from the National Endowment for the Arts, a federal agency, and the State of South Dakota through a portion of the tourism promotion tax. Our funding reached nearly every corner of the state in the form of project support, operational support, and arts education residencies and touring performances. The Council's FY17 co-sponsored activities reached an audience of 1.7 million people, including 330,000 youth, and involved more than 8,000 artists. The total FY17 SDAC budget of nearly \$1.65 million included \$1.36 million in grants and special project support, which generated \$21.22 million in local cash matching funds.

Additional funding from the National Endowment for the Arts supported projects of the South Dakota Symphony Orchestra, Rosebud Economic Development Corporation, Red Cloud Indian School, Rapid City Arts Council, First Peoples Fund, Cheyenne River Youth Project, and Traditional Artist Bryan Akipa was awarded a National Heritage Fellowship.

As you read through this annual report, you will discover the diverse impact South Dakota Arts Council programs and partners have on our state's quality of life, cultural tourism and economic development. Thank you for your past and continued support.

SOUTH DAKOTA ARTS COUNCIL

The South Dakota Arts Council is structured administratively as a state agency within the Department of Tourism. The agency is advised by an 11-member board, appointed by the Governor, which meets regularly to recommend grant awards and otherwise promote and advance the arts across the state.

The South Dakota Arts Council receives support from the State of South Dakota, through the Department of Tourism, and the National Endowment for the Arts, a federal agency. State funds are generated by a portion of the state tourism promotion tax.

50 YEARS OF SERVICE

The South Dakota Arts Council was created more than 50 years ago to unify and coordinate the development of the arts across the state through public awareness, arts education programs, access and inclusion, cultural tourism, grants and services, and to act as the steward of the state's federal appropriation from the National Endowment for the Arts.

On Sept. 29, 1965, President Lyndon B. Johnson signed a federal act creating the National Endowment for the Arts. The state Arts Council was established the following year by the South Dakota Legislature with legislation signed by Governor Nils Boe.

ENABLING LEGISLATION

INTRODUCTION TO SOUTH DAKOTA CODIFIED LAWS 1-22 1966 LEGISLATIVE SESSION

The South Dakota Legislature, being aware of the impact of culture on a stable economy, desires to stimulate, encourage, and give recognition and assistance to the arts which, in order to grow and flourish, depend upon freedom, imagination and individual initiative. While the development of the arts has long been considered a matter of local concern, there is a need to unify and coordinate these forces on a statewide basis. The arts, the creative spirit which motivates them and which they personify, are an essential part of the state's human resources.

The best interest of the state and its people requires that artistic expression in all of its forms be disseminated for everyone to see, appreciate and enjoy in order for our cultural and economic progress to be sustained and given impetus. There is created a South Dakota Arts Council composed of eleven members appointed by the Governor.

AGENCY MISSION

The South Dakota Arts Council is a state agency serving South Dakotans and their communities through the arts.

AGENCY PURPOSE

Recognizing the importance of creativity in the lives of all South Dakotans, the Council makes quality arts accessible throughout the state by providing encouragement, grants, services, and information to artists, arts organizations, schools, and the public. The Council strives to ensure access to the arts and educational arts opportunities as part of lifelong learning in South Dakota.

ROLE OF THE SOUTH DAKOTA ARTS COUNCIL

VISION. Our vision is to transform South Dakota's communities and people through the arts. We see deeper public awareness broadening appreciation for the fine arts; better arts education reviving school environments; wider access to the arts fostering understanding among cultures; and artists and arts organizations enhancing the quality of life for all South Dakotans.

VALUES. To accomplish its mission and support its vision, the Arts Council is guided by a strategic plan informed by input from constituents throughout the state and grounded in public values.

We believe:

- Greater public awareness of the value of the arts fosters sustained public and private support.
- Arts education stimulates creativity, communication, and lifelong learning.
- Universal access to the arts is intrinsic to the well-being of all South Dakotans.
- Artists are central to the creative environment of South Dakota.
- Arts organizations contribute to vibrant, progressive communities.
- The arts play an essential role in cultural tourism.

GOALS. The major goals for the South Dakota Arts Council's FY 2017 are summarized below.

INCREASE PUBLIC AWARENESS AND SUPPORT OF THE ARTS. The Council believes greater awareness of the arts influences sustained support. In the public's interest, programs and services of the Arts Council are designed to inform and educate people about the value of the arts for the well-being of South Dakotans.

ADVANCE THE ARTS AS ESSENTIAL TO LEARNING. Understanding the arts as basic to a good education, the Arts Council seeks to integrate the arts in education by supporting planning, curriculum development and teacher training. All children should experience the arts in their school, consistent with established state fine arts content standards. In addition, the arts should be an integral part of life-long learning.

RAISE THE STANDARDS FOR ACCESS AND INCLUSION IN THE ARTS. Equal access to the arts is embedded in all Arts Council programs. The Council seeks to minimize and eliminate barriers to the arts imposed by economic status, education, prejudice, distance or special needs.

SUPPORT ARTISTS THROUGH INCLUSIVE PROGRAMS AND NETWORKS. Recognizing that artists are central to the creative environment of South Dakota, the Council provides funding, information and services to artists for their artistic and professional growth. The Council values artists of all disciplines and cultures, amateur and professional, rural and urban, those who innovate and those who maintain the traditional arts.

STRENGTHEN ARTS ORGANIZATIONS AS PARTNERS IN EDUCATION, COMMUNITY AND ECONOMIC DEVELOPMENT. South Dakota needs strong and effective cultural organizations to connect the people and communities of the state with artists and arts programs. The Arts Council provides funds, information and services to encourage both large and small organizations to strive for excellence and further South Dakota Arts Council goals. Together with South Dakota artists, these organizations serve as arts education advocates and economic development partners and enhance community livability.

POSITION THE ARTS AS ESSENTIAL TO SOUTH DAKOTA TOURISM. The arts inspire creativity, celebrate traditions, provide recreation, and offer cultural experiences unique to the state and region. The Arts Council recognizes the unique importance of tourism to the state and gives priority to programs that enhance the quality and development of the visitor experience.

LOOKING AHEAD

This report summarizes the goals, priorities and activities in the final year of our Strategic Plan for FY15-FY17. Please review our new Strategic Plan to learn more about South Dakota Arts Council priorities moving forward.
