Dear Sirs:

The City of Avon would like to submit a bid for the entire section of railroad land, minus the railroad ties and tracks, that runs through the City. It is located between County Road 406/West Section Road and County Road 407/East Section Road. It would be sections 10, 11, 12, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 25, 26, 27, and 28. The reason that sections 13 and 24 are left out is because, to the best of our ability to tell, they are owned by Farmers Coop. If that is incorrect, we would like to bid on all sections except for those owned by Farmers Coop. We bid \$ 5,000.00.

Sincerely,

Twyla Simmons  
Finance Officer
