

# Connections & Conversations: Interactive Discussions for SAP and SICC Members

Join us for an engaging hour of Connections & Conversations, exclusively designed for State Advisory Panel (SAP) and State Interagency Coordinating Council (SICC) members. Participate in a series of interactive discussions, each focusing on various topics relevant to your roles and interests. Network with fellow members, share best practices, and gain valuable insights as you delve into conversations on critical issues and innovative solutions. Don't miss this unique opportunity to build connections, nurture collaboration, and contribute to the ongoing success of your state's SAP and SICC.
