Amounts Spent:

- Federal Share: **\$5,962.50**
- Non-Federal Share (Match): **\$1,987.50**
- Total: **\$7,950.00**

FFY 2020 Total Remaining To-Date: \$142,203.00

HMEP Grant Year 2020

- The grant award for FY 2020 was issued by the U.S. Department of Transportation/Pipeline and Hazardous Material Safety Administration (DOT/PHMSA), effective October 1st, 2020. The total federal award amount is \$150,153.00. The seven subgrantees participating in HMEP20 will be Aberdeen Fire & Rescue, Rapid City Fire & Rescue, Sioux Falls Fire & Rescue, Watertown Fire & Rescue, Codington County, Deuel County, and Edmunds County. There are 24 grants for training and there are 2 grants for planning in HMEP20.
- There have been two requests for reimbursement from Codington County for Hazmat Awareness and Hazmat Operations training for the grant year HMEP20 of \$1,500.00 each for a total of \$3,000.00.
- Aberdeen Fire Rescue has attained an additional \$864.00 through an Activity Request to PHMSA for their Decon-Tect Train the Trainer class that had been cancelled and re-offered as a two-week class vs the original one-week class. The original one-week class grant was \$1,862.00 and is now a two-week class with the total cost being \$2,726.00.
- Aberdeen Fire Rescue submitted a request for reimbursement on 6/15/21 for their ARFF Spring Live Burn. 19 first responders attended this training that was held in Aberdeen. The HMEP grant obtained for this training is \$4,950.00.
- Sioux Falls Fire Rescue had their 40-hour HazMat Emergency Response Tech class (\$3,160.00) cancelled. Through an Activity Request to PHMSA, this grant money was moved to SFFR's Flammable Liquid Bulk Storage class (\$3,585.00), this grant total is now \$6745.00.
- Sioux Falls Fire Rescue chose to not attend their IAFC HazMat Conference (\$4,180.00), which has been moved to a virtual conference format. Through an Activity Request to PHMSA, this conference granted money has been moved to SFFR's WRI Swiftwater Spill Response grant (\$12,760.00). Total grant money for this WRI Swiftwater Spill Response grant total is now \$16,940.00.
- DOT/PHMSA are continuing to allow Personal Protective Equipment (PPE) to be purchased in lieu of the missed training opportunities that were and possibly will be experienced in 2021 due to the Covid-19 issues. This opportunity has never been offered in the time since the HMEP grant inception. All the participating sub-grantees are very appreciative of this opportunity to re-allocate grant monies previously intended for training and planning.
