

Statewide Independent Living Council

State Plan for Independent Living (SPIL) Committee

Disseminated June 25, 2026

SPIL Committee Instructions

The committee will review the 2028–2030 State Plan one goal at a time, beginning with Goal 1.

Please:

- Review the draft for Goal 1 (see attached - 2028 2030 Table for Goal Objective Measurement Goal 1)
- Identify 2–3 objectives (what we want to see change)
- For each objective, include an indicator (how success will be measured)

Please send your suggestions for Goal 1 to staff at **cwagoner@bhssc.org** by **July 7**.

Staff will compile all responses and incorporate them into a shared table alongside feedback from other members.

This is a starting point, not a final draft.

The same process will be used for Goal 2 within the next two weeks.
