### MEMORANDUM

**DATE:** May 21, 2025

**TO:** State-Wide Independent Living Council

**FROM:** Jennifer Lewis, DRS Program Specialist II

**SUBJECT:** Summary of DRS reports

#### Consumer Satisfaction Survey Report

- The SILC developed 4 rating questions and 2 narrative questions for the CIL to ask each client at closure. This requirement was incorporated into the contracts and the CILs are to submit a summary report quarterly. The surveys are given to all closed cases; those closed goals met and goals not met. These reports are reviewed during annual reviews for accuracy.
- The first table on page 1 shows the number of cases closed by type of closure, the number of survey responses, and the percentage of responses by CIL from October 1, 2024 through March 31, 2025.
- The second table on page 1 shows the responses to the four questions from October 1, 2024 through March 31, 2025.
- Page 2 and beyond are narrative responses. These are responses for only the most recent quarter (January 1, 2025 through March 31, 2025) Staff's names have been removed in this report.

#### Status of CIL Contracts

- The report provided is for the current state contract year (June 2024 through May 2025).
- This report shows the amount of funds the CIL receives directly from the Administration for Community Living as Part C dollars and the funds through the DRS contracts.
- The columns on the right provide the units the CIL is projected to be over or under their contract goals.
- The State Plan requires that the funds through the DRS contracts supplement instead of duplicate funds the CIL receives in Part C funds.

#### CIL Quarterly Reports for ILC and WRIL- 2<sup>nd</sup> QTR January 2025-March 2025

- The CILs monitor their progress on the State Plan for Independent Living goals. The quarterly report provides a summary of the descriptions of the event or activity, the date, the location and the CILs role in the event.
