RE: Fuel Tax Reimbursement Request for Chan Gurney Municipal Airport

Aeronautics Commissioners,

The City of Yankton respectfully requests your consideration of an airport fuel tax reimbursement for expenses that the City of Yankton incurred to purchase a mower for Chan Gurney Municipal Airport. The mower is a piece of equipment dedicated exclusively to service at the airport.

The attached documentation shows the quote for the expenditure after trade in (\$8,300) and also a copy of the check that the city issued to make payment. It is our understanding that the \$8,300 is less than the amount we are eligible for at this time.

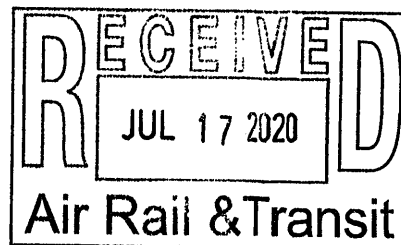

Thank you for your consideration, please let me know if you have any questions and be well.

Sincerely,

Dave Mingo
Community and Economic Development Director

The mission of the City of Yankton is to provide exemplary experiences, services, and spaces that create opportunities for everyone to learn, engage, and thrive.
