Others in attendance

1. Jennifer Humphrey

2. Lily Breems

Purpose

The purpose of the Advisory Council shall be to guide the Division of Behavioral Health with the planning, coordination, and development of the state comprehensive behavioral health services plan. The Advisory Council shall advocate on behalf of persons served to ensure their highest attainable degree of independence, productivity, community integration and quality of services. The Advisory Council will also advise the Division of Behavioral Health on statewide treatment, prevention, and rehabilitation needs within the current behavioral health system.

Agenda

- I. Call Meeting to Order / Welcome and Introductions
- II. Review and approval of March 2022 meeting minutes
- III. Membership
- IV. Human Services Center Update
- V. Division of Behavioral Health Update
- VI. Office of Prevention Services Update
- VII. Open Discussion / Council Member Updates
- VIII. Public Comment / Testimony
- IX. Discuss Future Meetings
 - Wednesday, August 10th
- X. Adjourn

Behavioral Health Advisory Council Pierre, South Dakota

March 16, 2022

Advisory Council Members Present

- 1. Dianna Marshall, DRSD
- 2. Matt Glanzer, Recovery from SUD
- 3. Rosanne Summerside, Family Member
- 4. Teresa Rowland, DOE
- 5. Karen Severns, IHS
- 6. Melanie Boetel, DBH Representative
- 7. Wendy Figland, Family Member
- 8. Angie Dammer, Family Member
- 9. Ashlee Rathbun, Family Member
- 10. Christie Lueth, Mental Health Professional

- 11. Pamela Bennett, DSS Representative
- 12. Penny Kelley, Family Member
- 13. Christy Alten-Osmera, SUD Professional
- 14. Linda Reidt-Kilber, CMHC Director
- 15. Kristi Bunkers, DOC
- 16. Lorraine Polak, SDHDA
- 17. Jon Sommervold, Adult in recovery from SUD
- 18. Bryan Harberts, PRTF Representative
- 19. Kara Graveman, Prevention Provider
- 20. Jason Lillich, SUD Director
- 21. Dominique Tigert, Family Member
- 22. Faith Goehring, Adult Living with SMI

Advisory Council Members Absent

- 1. Chuck Frieberg, UJS
- 2. Eric Weiss, Rehabilitation Services
- 3. Angela Murphy, Adult living with SMI
- 4. Emily Erickson, Youth
- 5. Joanne Hairy Shirt, Family Member

Behavioral Health Staff Present

- 1. Tiffany Wolfgang
- 2. Jennifer Humphrey
- 3. Jeremy Johnson

- 4. Kaitlyn Broesder
- 5. Lily Breems
- 6. Loretta Jochim

Others in Attendance

1. Terry Dosch

- 2. Phyllis Arends
- 3. Mallory Koucek

Purpose

The purpose of the Advisory Council shall be to guide the Division of Behavioral Health with the planning, coordination, and development of the state comprehensive behavioral health services plan. The Advisory Council shall advocate on behalf of persons served to ensure their highest attainable degree of independence, productivity, community integration and quality of services. The Advisory Council will also advise the Division of Behavioral Health on statewide treatment, prevention, and rehabilitation needs within the current behavioral health system.

Minutes:

I. Call to Order / Welcome and Introductions

March 16, 2022 the Behavioral Health Advisory Council meeting was called to order by Angie Dammer, Vice-Chair. Jennifer Humphrey took attendance.

II. Review and Approval of Meeting Minutes

The Advisory Council reviewed the November 2021 meeting minutes. Penny Kelley moved to

approve. Kristi Bunkers seconded the motion. Motion carried, all approved.

III. Human Services Center (HSC) Update

Jeremy Johnson, HSC Administrator, shared the following updates.

Western Interstate Commission for Higher Education (WICHE)

Consultation with WICHE began Fall of 2021 focusing on programming and staffing models. Virtual and in-person meeting was held with staff across programs and disciplines resulting the development of five strategic goals: workforce, treatment, safety, leadership and data. HSC is working towards implementation of the following action items for each goal: A closed staffing model; units focused on geriatric admissions and restoration to competency ordered patients; expanded security team focused on internal needs of the treatment units; virtual town halls and coffee with senior leadership events; and the development of processes and resources to use data for service improvement and meaningful outcomes for patients.

Workforce Development

During Fall of 2021 several recruitment and retention incentives were implemented for staff: Walk-in interviews for all positions Monday through Friday; and increase in community involvement through the Parade of Lights and Yankton Thrive. HSC has seen positive results in all positions; however, nursing continues to be a challenge.

COVID-19

HSC saw peak COVID-19 numbers in January 2022 amongst both staff and patients, but services were maintained. The total numbers served have declined with community decline in cases.

IV. Membership

Jennifer Humphrey announced the following membership changes.

New Members

Kara Graveman, contracted prevention provider, replacing Joyce Glynn.

Jason Lillich, Director of a contracted substance use disorder treatment provider, replacing Belinda Nelson.

Dominique Tigert, family member of an adult with a serious emotional disturbance, replacing Ellen Washenberger.

Faith Goehring, an adult living with serious mental illness, replacing Roseann Peterson-Olson.

Reappointments

Christy Alten-Osmera, contracted provider of substance use disorder treatment services. Wendy Figland, a family member of a child with serious emotional disturbance.

Members Leaving

Jane Grant, family member of a child with a serious emotional disturbance.

Linda Reidt-Kilber, Community Mental Health Center Director

V. Election of Officers

Jane Grant, Chair, resigned due to health reasons. Karen Severns voiced interest in the Chair position and Angie Dammer, Vice-Chair, was nominated. Under anonymous poll, Angie Dammer was elected Chair.

Ashlee Rathbun voiced interest in the Vice-Chair position, once held by Angie Dammer. No other members voiced interest or were nominated. Rosanne Summerside moved to elect. Angie Dammer seconded the motion. Motion carried, all approved.

VI. In Our Own Voice by Mallory Kloucek

NAMI's In Our Own Voice presentation provides a personal perspective of mental health conditions, as leaders with lived experience talk openly about what it's like to have a mental health condition. For more information, visit: https://www.nami.org/Support-Education/Mental-Health-Education/NAMI-In-Our-Own-Voice.

VII. Division of Behavioral Health Update

Staff Changes

Tiffany Wolfgang announced that Laura Ringling has transitioned to a position within the Governor's Office on March 14th. As part of the transition, Tiffany will assume the role of Chief of Behavioral Health beginning March 24th.

Melanie Boetel announced the following staff changes.

Tiffany Weidner, Program Manager overseeing supported services

Gretchen Stai, Program Specialist supporting intensive case management and supported housing for substance use disorders.

Lily Breems, Program Specialist supporting training and specialized services.

Rachael Majores, Program Specialist supporting mental health services.

Fiscal Reports

Tiffany Wolfgang provided an overview of the FY 2022 Quarter 2 expenditures in the areas of substance use and mental health services. In the area of Title XIX Mental Health Services under MH Courts (FACTS), a discrepancy in the percent expended was noted. An update with the correction will be provided.

Block Grant Supplemental Funds

Melanie Boetel provided an update to the supplemental funding through the Coronavirus Response and Relief Supplemental Appropriations Act and the American Rescue Plan Act supplemental funding for the Substance Abuse, Prevention and Treatment and Mental Health Block Grants. To view the grant briefs, visit: https://dss.sd.gov/behavioralhealth/grantinfo.aspx.

Some of the activities the Division is currently focused on is the development of peer support services, intensive case management and supported housing for substance use disorders, WRAP (Wellness Recovery Action Plan) training for all Community Mental Health Centers and an opportunity for contracted providers to apply for a Telehealth Equipment mini-grant.

Supported Housing flier: https://dss.sd.gov/formsandpubs/docs/BH/BH11_SHARE_flyer.pdf
Telehealth Equipment Mini-Grant application:

https://dss.sd.gov/behavioralhealth/grantinfo.aspx

Behavioral Health Voucher Program (BHVP)

Melanie Boetel announced that as of February 18, 2022, 62 providers were activity enrolled and 747 vouchers had been issued.

Utilizing grant funds from the Department of Agriculture and Natural Resources, outreach expanded in October to include efforts targeted to farmers and ranchers, managed by the South Dakota State University (SDSU) Extension. The project team assisted their efforts by customizing marketing materials, updating the 605strong.com website, and by training the Avera Farm & Rural Stress Hotline as well as SDSU Extension as youcher issuers.

In the last month the BHVP expanded to students in post-secondary institutions through the Board of Regents who meet the eligibility criteria and would benefit from services.

Fore more information about the BHVP, visit: https://www.605strong.com/

Legislative Session Update

Tiffany Wolfgang provided the following update to this year's legislative session.

<u>HB 1038</u> - https://mylrc.sdlegislature.gov/api/Documents/235689.pdf This establishes a path forward for the opioid settlement to flow into SD under the Department of Social Services. The final amount yet to be determined but SD estimated at approximately \$52 million with 15-20 years to spend. 70% of the funds will go to the state and 30% will go directly to local governments.

<u>HB 1282</u> - https://mylrc.sdlegislature.gov/api/Documents/235106.pdf An act to allow inpatient psychiatric facility alternatives for patients 18 years-old to be served in an adolescent unit if appropriate. This has been signed by the Governor.

<u>SB 136</u> - https://mylrc.sdlegislature.gov/api/Documents/235673.pdf An Act to revise and clarify certain processes for emergency detainment related to drug and alcohol abuse. This bill allows treatment facilities to refuse an application for detainment if, upon personal observation, the individual to be detained does not meet criteria. It specifies that law enforcement must only transport an individual to a treatment facility for detainment if the individual is a danger to self or others due to the effects of drugs or alcohol. The bill also changes the definition of intoxicated person and updates terminology.

<u>SB 196</u> - https://mylrc.sdlegislature.gov/api/Documents/236454.pdf An Act to make an appropriation to provide grants for certain residential alternative care programs and to declare an emergency. This bill calls to make general fund dollars available for the purpose of providing grants to support alcohol and drug abuse recovery programs and services for women delivered through alternative care programs.

<u>SB 33</u> - https://mylrc.sdlegislature.gov/api/Documents/235914.pdf An act to authorize the Department of Corrections to make healthcare improvements at the SD Women's Prison, and declare an emergency. This bill allocates \$5.75 million in federal funding authority for the purpose of design, renovation, construction, furnishing, and equipping the expansion of healthcare services.

DSS Budget Update

Provider inflation was passed at 6%.

The Governor's budget proposal included \$15,000,000 in federal funding from the ARPA to support the development and expansion of regional behavioral health centers. South Dakota's current publicly-funded behavioral health service model includes 11 Community Mental Health Centers and over 40 accredited substance use disorder treatment providers serving geographic catchment areas. The current system provides a variety of treatment and prevention services but does not include a comprehensive crisis response model.

This project will further expand Appropriate Regional Facilities (ARF) as well as other behavioral health service capacities statewide. Recent investments in ARF in Yankton, Watertown, and Pennington County have created regional behavioral health centers that could integrate crisis stabilization, residential substance use treatment services, and transitional housing. This project includes funding for construction of new facilities or expanding and renovating existing facilities across the state.

Over the next four years, the state will commit a total of \$15,000,000 in ARPA funding to support infrastructure development. To meet the needs of all regions, an estimated \$3,750,000 in ARPA funds will be spent each year for the construction and expansion of facilities across the state. In combination with the \$15,000,000 in federal funding, local funding will be needed to complete these service delivery changes.

RFP#2455 Behavioral Health Awareness Campaign

Tiffany Wolfgang announced that the Division issued a Request for Proposal December 17, 2021 seeking a qualified vendor to develop a five-year strategic plan to support an all-encompassing statewide campaign of publicly funded behavioral health services. Vendors submitted their proposals March 14th and the DSS is undergoing the scoring process. For more information, visit: https://dss.sd.gov/keyresources/rfp.aspx.

VIII. Office of Prevention Services Update

Staff Changes

Tiffany Wolfgang announced the following staff changes.

Vanessa VanErem, Program Specialist supporting prevention and crisis services. Shaina Smykle, Program Specialist supporting substance use disorders and suicide prevention services.

State Opioid Response (SOR) Grant

Kaitlyn Broesder provided the following update to the SOR grant.

Avoid Opioid Media Campaign

Avoid Opioid website: https://www.avoidopioidsd.com/

There were 9,395 Avoid Opioid website visits in February 2022. This was the 5th month in a row that website visits climbed to the highest level since its launch in 2018 and surpassed the previous record by 737 visits.

Medication lock boxes were heavily promoted through broadcast and social media in February which resulted in 1,293 lock box orders from the Avoid Opioid website. That is more than the total amount of previous requests received since launching the service in July 2020 through January 2022. To order a medication lock box, visit: https://www.avoidopioidsd.com/take-action/medication-lock-boxes/.

National Take-Back Day

The next Drug Enforcement Administration's National Take-Back Day is scheduled on April 30th from 10am-2pm. For more information, visit: https://www.dea.gov/takebackday.

To find a take-back location near you or to request free DisposeRx packets, visit:

https://www.avoidopioidsd.com/take-action/take-back-sites/.

Early Intervention Services

Free early intervention evidence-based trainings are being offered for professionals through the Change Companies and Prime for Life. The first At a Glance training was held on November 23, 2021 with 29 participants. A second At a Glance training is scheduled for April 6, 2022, and to date, there are 13 individuals registered.

Registration for the Prime for Life new instructor training is still open. This is a virtual training which allows course completion to be based on each individual's schedule. There have been 19 people register for the training.

Increased Access to Lifesaving Medication – Naloxone, Pharmacy Access Project
Current efforts for the statewide standing order and increasing access to naloxone remain focused on increasing awareness, both to pharmacies to encourage enrollment and to the public to educate them on this option. To date, there have been 59 pharmacies enrolled to participate in the standing order and a reported 11 naloxone kits dispensed.

Medication-Assisted Treatment (MAT)

Expanding access to MAT continues to be a top priority through the 4 contracted providers that provide MAT statewide through office-based and telemedicine-based care.

Recovery Support

Peer recovery support services provide effective, science-based peer coaching for people living with addiction, including their loved ones.

There are currently 7 MAT-friendly recovery homes established in partnership with the Oxford House in South Dakota (5 in Sioux Falls & 2 in Rapid City). The Division is actively working with the Oxford House to establish more houses and expand the network of services across the state.

Bethany Christian Services provides intensive case management for pregnant and postpartum women impacted by substance use disorders.

Care Coordination assists individuals in supporting their recovery process. Individuals can call the Resource Hotline at 1-800-920-4343 to speak with a Care Coordinator. The Resource Hotline is staffed 24/7 for free confidential support and connection to services and/or resources. For more information, visit: https://www.avoidopioidsd.com/find-help/care-coordination/.

Prevention Strategic Planning work order

Tiffany Wolfgang announced that the Division contracted with Guidehouse to assist in reviewing the landscape of prevention in South Dakota and in similar states to South Dakota, assisting with the development of a strategic plan, and logic model. Work is just getting underway.

Screening, Brief Intervention and Referral to Treatment (SBIRT) Grant

Tiffany Wolfgang announced that the Division is in the last year of the grant cycle which ends September of 2022.

Partnerships include SBIRT integration in all pillars of training for the University of South Dakota Sanford School of Medicine. Higher education partnerships being pursued also include the University of South Dakota Schools of Nursing and Dental Hygiene.

SD SBIRT has also partnered further with Avera Behavioral Health to launch an implementation training program for ten additional clinics.

This program, the SBIRT Legacy Cohort, will engage ten new clinic and/or Emergency Departments with training and funding to implement SBIRT in a lasting way to continue on beyond SAMHSA funding which ends in September of this year. Active screenings continue with Brown and Avera Clinics through May with screenings continuing in the Avera Emergency Departments through August.

Also partnering with DOH and their WIC clinics to support SBIRT and MI training

MHAT - Mental Health Awareness Training Grant

Tiffany Wolfgang announced the Divisions efforts in coordinating with NAMI to support Ending the Silence and Say it Out Loud for school and youth serving organizations. Also, the Division is planning work with the Prevention Resource Centers to coordinate Peer Helpers, a peer to peer program, with support from the National Association of Peer Program Professionals. For more information, please visit: https://nami.org/Support-Education.

National Strategy for Suicide Prevention (NSSP) Grant

Tiffany Wolfgang discussed the work being accomplished under the NNSP grant focusing on adult and youth suicide prevention. Plans are being made to host a suicide prevention conference in August to kick off Suicide Prevention Month. The conference will bring individuals together to celebrate the successful and impactful work, reducing the stigma around mental health, as well as providing tools and resources to the general public about suicide.

The Division continues to support trainings and adult and youth follow up programs by meeting with the inpatient hospitals throughout the state back in February. It was noted that participants in the follow up program experienced significant decreases in depression.

IX. Open Discussion/Council Member Updates

Department of Education

Teresa Rowland discussed the Project Aware 3-part video series developed in partnership with South Dakota State University. The series focus is on nurturing child and adolescent development and mental health. Information can be found under "Parent/Caregiver Resources" section of the webpage: https://doe.sd.gov/mentalhealth/projectaware.aspx.

South Dakota Housing Development Authority

Lorraine Pollak announced that SDHDA continues to support temporary rental and/ or utility assistance for SD residents meeting eligibility requirements. Recently, home mortgage assistance became available. Also, additional funding through the American Rescue Plan Act is being used for the development of permanent supportive housing and non-congregate shelters for homeless populations. For more information, visit: https://www.sdhda.org/ or

contact Lorraine at lorraine@sdhda.org.

National Association of Social Workers

Karen Severns announced South Dakota's NASW annual conference is being held March 17th at the Sioux Falls Convention Center.

Rural Health Care, Inc.

Penny Kelley announced that Rural Health Care, Inc. has received funding through the American Rescue Plan Act to assist individuals in finding affordable health insurance. For more information, contact Penny at penny.kelley@ruralhc.net or 605-223-2200. You also visit https://communityhealthcare.net/get-covered-sd/.

X. Public Comment / Testimony

No public comment or testimony received.

XI. Future Meetings

Christie Lueth motioned for the next meeting to be a combination of virtual and in-person to accommodate member's preferences. Ashlee seconded. Motion carried, all approved.

The next meeting will take place Wednesday, June 8, 2022 from 1:00-4:00 p.m. CT.

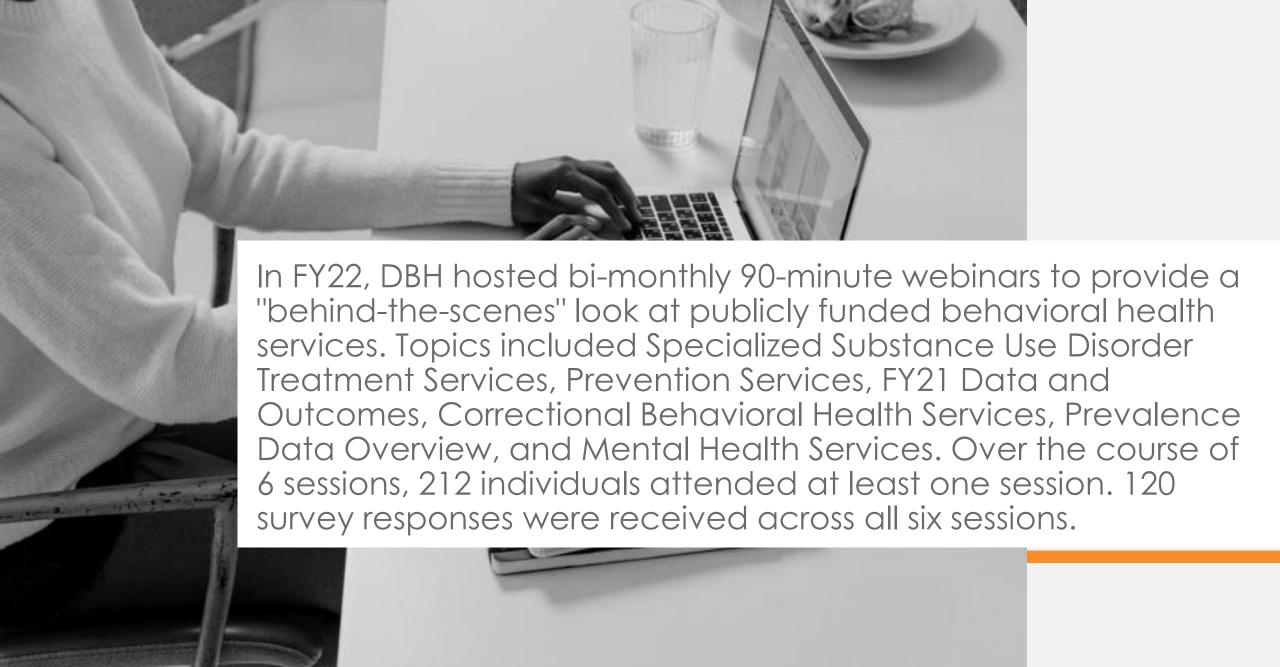

Future presentation requests and agenda items should be directed to Jennifer Humphrey.

XII. Adjourn

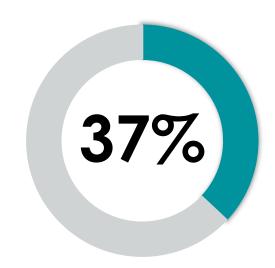

Diana Marshall made a motion to end the meeting. Jon Sommervold seconded the motion. Motion carried, all approved.

KEYNOTE SPEAKERS

Keith Hotle

Keith is the Chief Program Officer at Stop Soldier Suicide. He provides leadership in suicide prevention, personal empowerment and health promotion for veterans, active military and their families.

Dr. Poland is a licensed psychologist and an internationally recognized expert on school safety, youth suicide, self-injury, bullying, school crisis prevention/intervention, threat assessment and parenting in challenging times.

Beverly Beuermann-King

Beverly Beuermann-King is a resiliency and wellness strategist who uses her S-O-S Principle to help people to control their reactions to stress, build resiliency against life's challenges & live MORE.

As a multiple attempt suicide survivor, it is Diana's mission to save lives by educating and informing health institutions and families on how to connect, support and transform systems and communication to better aid those in crisis.

Dr. Heather Ayn Indelicato

Heather Ayn Indelicato, PsyD. ("Dr. I") is a licensed psychologist. She led the Zero Suicide Implementation Team at Tséhootsooi Medical Center (TMC) on the Navajo Reservation. The team was distinguished as a national leader in providing culturally-informed, suicide safer practices.
