Donnie Valderrama, the owner of the new South Dakota Barber College stated that he would like to address the Board regarding the proposed administrative rules on (1) cross-over licensing education and curriculum and (2) instructor education to become a licensed barber instructor. It was agreed that he could speak on those subjects when they are considered by the Board in the order of the agenda.

Lin Thompson requested information about SB 10 and SB 13 and their implications on the barber profession in South Dakota. Executive Director Boyd stated that SB 10 allows the Cosmetology Commission to accept related education from a barber, massage therapist,

professional makeup artist or medical professional and to establish through administrative rule required curriculum and education hours for those individuals to become licensed with the Cosmetology Commission. SB 13 is the barber version of the bill to allow a licensed cosmetologist to take hours and curriculum established by the Barber Board through administrative rule to become licensed as a barber in our state. Some cosmetologists from South Dakota have gone to barber school in a different state to take cross-over hours, taken state boards and have become a licensed barber in our state. The passage of SB 13 will allow an individual to attend barber school in South Dakota for the cross-over hours, take the Barber State Board examinations and become licensed as a barber.
