### CPA Exam Candidates - Follow up from June meeting

The CBT Committee had recommended this language to boards which was reviewed at the meeting in June and tabled the discussion until you had the numbers of how may this may affect:

In addition, the board should grant the Executive Director the authority to extend credit up to 12 months from the current expiration date on a case-by-case basis until the 30-month rule is effective.

I ran a query and we have 13 candidates that have or will have parts expiring in 2023, that have not completed the exam process.

#### Breakdown of the 13:

- 3 have not applied for a section since 2021 or prior
- 1 has not applied for a section since Nov 2022
- 1 has not applied for a section since Jan 2023
- 8 are "in progress":

OKBOA found out in the review that they do not have access to view the South Dakota firms reports to be an active PROC for us. The Oklahoma Society of CPAs cannot provide the reports to the OKBOA for South Dakota. The contract expired and no work was performed on the contract.
