

South Dakota Plumbing Commission
Notice of Public Hearing to Adopt Rules

A public hearing will be held via Microsoft Teams, on October 2, 2026, at 10:00 a.m. Central Time, to consider the adoption and amendment of proposed Administrative Rules of South Dakota numbered:

§ 20:53:02:08; 20:53:02:09; 20:53:02:10; 20:53:02:20; 20:53:02:22;
20:53:02:24; 20:53:10:02; 20:53:10:04; 20:53:13; 20:53:13:01; and
20:54:02:01.

The effect of the proposed rules will be to align notification requirements to the functionality of a new database, align rules with the intention of SDCL 36-25, and clean up language or clarify existing rules.

The reasons for adopting the proposed rules is ambiguity exists in the currently adopted rule scheme. Rulemaking is necessary to amend the training and examination requirements. Additionally, with a shift to a new database, rules that refer to mailing and issuance of physical documents will become obsolete and inapplicable.

Persons interested in presenting amendments, data, opinions, and arguments for or against the proposed rules may appear via Microsoft Teams at the hearing, or mail or e-mail them to South Dakota Plumbing Commission, 217 W. Missouri Avenue, Pierre, SD 57501, SDPlumbing@state.sd.us. The deadline to submit any such written comments for consideration is no later than 10:00 a.m. Central Time on September 29, 2026.

After the written comment period, the Plumbing Commission will consider all written and oral comments it receives on the proposed rules. The Plumbing Commission may modify or amend a proposed rule at that time to include or exclude matters that are described in this notice.
