After demonstrating financial need, and a partial Freedom Scholarship fulfills the unmet need, university may opt to award for full scholarship amount, though it put student beyond need.		x		
Student has less than 2.0 GPA for a brief period and is meeting satisfactory academic progress (per Oct 2023 memo)		x		
Enrolling a student		x		
Amount of scholarship awarded per year		x		
Prioritization of students' financial need		x		
Whether to award if student is not Pell eligible		x		
Whether scholarship is awarded for summer semester, so long as working towards baccalaureate degree		x		
Offer the student additional resources (non Freedom Scholarship resources) to help them succeed		x		
Late, one-time scholarships suddenly change a student's unmet need, still go ahead with Freedom Scholarship so long as the total amount does not exceed cost of attendance		x		
Requirement of full-time student (keep in mind the 5-year or less graduate requirement)		x		
Can scholarship cover required remedial courses?		x		
Student wants to transfer to another eligible institution. Can they still get Freedom Scholarship?		Answer is at discretion of institution they are <u>transferring to</u> .

Does a university have to re-award scholarship to student in subsequent years, and same amt?		At discretion of university, they don't have to re-award to student and if they do, it does not have to be the same amount.		
Qualify for Freedom Scholarship again after a semester of falling below the GPA requirement		x		
Scholarship to student living off-campus results in cash refund to student for semester (presumed for indirect needs: off-campus housing, etc)		x		
Draft the promissory note after Board sets interest rate and term			x	
Deferment of employment obligation for graduate school or military orders after baccalaurate graduation			x	
Deferment of employment obligation for the duration of employer's initial training located out of state so long as return to South Dakota.			x	
Deferment of debt while in another education program (pursuing a degree or certificate elsewhere in SD or outside of SD)			x	
Reverse revert to loan upon learning of transfer status and good standing at new SD participating institution			x	
Revert to debt if recipient voluntarily requests doing so.			x	

Freedom Scholarship Decision Chart- October 2024 proposed

Revert to debt if student is no longer enrolled in an eligible institution after six months.			x	
Not revert at six months if university or student communicates that they are pausing their education but returning, so long as no more than 12 months passes.			x	
Approve or deny time credit towards three year living and working in South Dakota obligation after reviewing documentation			x	
Revert to loan for not living in South Dakota during the employment phase; prorated for time that was spent living and working in SD			x	
Revert to loan for not working in South Dakota during the employment phase if no proof of local contribution; prorated for time that was living and working in SD			x	
Reverse a revert to debt when a graduate can demonstrate they have been living and working in South Dakota and staff verify the information.			x	
Approve or deny a student's degree-hybrid program of study for eligibility meeting Freedom Scholarship requirements (program must have articulation agreement)			x	
Forgiveness of debt for any reason or reason outside of death				x
Other compelling reason for not graduating in 5 years				x
Student wants to participate in a university-recognized cooperative or internship, which extends their completion beyond 5 years				x
