10/4/2023 10:45:53	Karline	Clark	karline.clark@k12.sd.us	Box Elder, SD	CTE Educator	<p>In comparing the current and proposed Government &amp; Public Administrations pathways, I noticed the Accounting I &amp; II courses have been removed from the proposed. I argue they still need to be included. Accounting is a major administrative role in both the government and in public industries. Many CEO's come from a chief financial officer position that originates with Accounting backgrounds.</p>
