### Basis for Granting the Extension:

- State or federal standards or legislation requiring significant programmatic change
- Substantive changes – please see CAEP Accreditation Policy 6.02: *Substantive Changes* for details (see *Policy XIII, Substantive Change*)
- Other extenuating circumstances such as, an Act of God, natural disaster, or civil unrest

Please note that your Spring 2023 Site Review will be utilizing the Revised Standards. The Revised Advanced Standards are available for public comment on our website [here](#). The new CAEP Workbook related to the Revised Standards will be released in June 2021.

Please contact Ben Frattini ([ben.frattini@caepnet.org](mailto:ben.frattini@caepnet.org)) if you would like to discuss the basis for this decision further.
