**SOUTH DAKOTA COSMETOLOGY COMMISSION
EXECUTIVE DIRECTOR'S REPORT**

February 19, 2021

1. 2021 LEGISLATIVE UPDATE

HB 1018 – Combine Cosmetology Commission, Barber Board, and Massage Therapy Board into one board. This bill was strongly opposed by the barbers and by a group of massage therapists, although other massage therapists were in favor of the bill. The bill was killed in the first committee to hear the bill.

HB 1258 – Esthetics Apprenticeships. At the request of Fallon Helm, owner of Revive Day Spa in Aberdeen, a legislator has introduced a bill regarding apprenticeships. As currently written the bill will:

a. Allow for Esthetics Apprenticeships. Current Cosmetology law allows for cosmetology apprenticeships and nail technology apprenticeships, but not for esthetics. The bill as introduced proposes 900 hours of apprentice education in esthetics.

b. Increase Maximum Allowable Number of Apprentices in a Salon. Current law limits a salon to four apprentices and each instructor can mentor two apprentices. The bill as proposed would increase the allowable number of apprentices to eight, but still maintain the instructor/apprentice ratio at 1:2.

c. Possible Amendments. Amendments are anticipated to reduce the required apprentice education to the same number of hours required for students in cosmetology, esthetics and nail technology school programs as shown below:

Cosmetology – from 2150 hours to 1500 hours
Esthetics – from proposed 900 hours to 600 hours
Nail Technology – from 900 hours to 400 hours

2. APPRENTICESHIPS

a. Increased Interest. We are receiving an increasing number of phone calls inquiring about apprenticeships. On February 4 received one apprenticeship request for a salon in Sioux Falls. This will be presented at April 8 Commission meeting because we need to visit the salon for an interview with the instructor and proposed apprentice and ensure that the salon is set up appropriately to meet the apprenticeship requirements.

b. Apprentice Instructor State Laws/Rules Examination. With the increasing interest in apprenticeships, the staff is in the process of creating a laws/rules exam specifically for apprentice instructors. The current examination is geared toward instructors in a school. Copies of the draft exam will be sent to the Commission members for your review and comment.
