Executive Director Kate Boyd requested to add one item to the agenda. The Commission will be reviewing an nail technician apprentice application for Jessica Holt at Revive Day Spa. Jessica has submitted a second application to go immediately into an esthetics apprenticeship after completing the nail technician apprenticeship.

Annette Petersen made a motion to approve the agenda as amended. Debbie Pageler seconded the motion. **MOTION PASSED.**

Renee Graf made a motion to approve the minutes of the April 8, 2021 meeting as presented. Annette Petersen seconded the motion. **MOTION PASSED.**

Treasurer Annette Petersen reported that as of March 31, 2021, the available funds balance was \$121,519.35 and the cash center balance was \$177719.18.

Kate Boyd referred the members to the written Executive Directors report that was included in the meeting handouts. The report included: (1) an update on her retirement and that Teresa Diederich of the Commission staff has been named the new Executive Director and that the search is underway to replace the Program Assistant position being vacated by Teresa; (2) the staff would like to discontinue mailing the annual newsletter and instead including a short note with license renewals referring the licensee to our website to access the newsletter. Also, the plan is discontinue including disciplinary actions in the newsletter since they are included elsewhere on the website. These changes are being proposed due to increased postage costs and to get our licensees in the habit of using the website; (3) there were a large number of pre-approved provider

applications for electric file, microdermabrasion, and eyelash extensions. Copies of the sign-in/out sheet and sample certificates will still be required with the application, but those two pages will no longer be printed and included in the meeting packets; (4) the staff is working on administrative rules to comply with the new law that goes into effect July 1 to increase the allowable numbers of apprentices in a salon to eight, allow for esthetics apprenticeships and change the apprentice education hours to the same hours that are required in school. The interview and inspection conducted at a proposed apprentice salon will help determine if there are sufficient licensed instructors (1 instructor to 2 apprentices) and that there is sufficient classroom and salon floor space to appropriately handle the apprentices. The staff is reviewing other administrative rules that may also be presented to the Commission. A public hearing is going to need to be held before the end of May on the proposed rules as part of the rules adoption process.

Teresa Diederich reviewed the proposed consent agreement cases that have all been signed by licensees. The details of the case review are shown below.

**SOUTH DAKOTA COSMETOLOGY COMMISSION  
EXECUTIVE DIRECTOR'S REPORT**

**April 30, 2021**

1. **Staff Changes** – Teresa Diederich has been named the new Executive Director of the Cosmetology Commission and the Board of Barber Examiners. Kate Boyd's retirement is effective June 8, 2021, although my last day of work is planned for May 21, with vacation leave the last pay period. The Program Assistant I, Teresa's previous position has been advertised but interviews have not yet occurred.
2. **Newsletter** – For many years the Commission practice has been to include an annual newsletter with license renewals. The staff would like to discontinue mailing the newsletter and instead include a short note in the envelope thanking the licensee for their renewal, directing them to the newsletter on the website, asking them to provide our office with an email address, and to let us know when they change their email address.

The reasons for discontinuing mailing the newsletter are two-fold: (1) the newsletter is taking extra postage to mail due to its length, and (2) we would like to get our licensees in the habit of using the website.

Further, we would also like to discontinue including disciplinary actions in the newsletter since they are already listed on the website under the Disciplinary Action link. This is something that the staff has been considering for a while now. Attached is a letter from the owner of a Med Spa requesting that we not include disciplinary actions in the newsletter.

3. **Pre-approved Provider Applications** -- Your meeting packets include pre-approved provider applications for electric nail file, microdermabrasion, and eyelash extensions. There are several documents that an applicant must send with their application and \$100 fee, including, outline of the course curriculum, resume of the instructor, sign-in/out sheet for attendees, and copy of the certificate that they provide to those that complete the course. The staff reviews the applications and required documents before they are included in the Commission meeting packets. You will note that this time we did not include the sign-in/out sheet or the completion certificate. Since those documents have been reviewed by the staff, it seems unnecessary to print those sample sheets for the meeting packets.
4. **Administrative Rules** -- We are working on updating administrative rules to comply with the new law that will go into effect July 1 to (1) increase the allowable number of apprentices in a salon to eight, (2) allow for esthetics apprenticeships, and (3) change apprentice education hours to the same number of hours as students in cosmetology schools: 1500 cosmetology, 600 esthetics, and 400 nail technology. There will likely be some other proposed rule changes presented to the Commission as well. Commission

members will be contacted in the near future to confirm a date for an administrative rules hearing. The hearing can be done via video conferencing, eliminating the time and cost of traveling.
