The board paused to discuss whether the board should be recognizing the Structural Exam (SE) as a PE exam and whether both SE lateral and SE vertical exams should be required if no other PE exam was taken. This would require a rule change to reflect that both SE exams would be required for licensure if no other PE exam had been taken.

and Landscape Architects in the other. At the next regularly scheduled board meeting,
the Executive Director would present for ratification by the board a list of individuals
granted licensure under the authority granted in these resolutions. These resolutions
are expected to be approved and implemented by the Minnesota board to expedite
comity licensure.

The board discussed the possibility of adopting a similar process and decided to add
this to the action item list.
