University Metrics for Freedom Scholars				
Data Requested by State Legislature Number of students receiving the FS by:	Data	gathered Student	from FS Staff- employmt data	student appeal data
	Data University			
academic semester (Elli: check with Legislature to see about annual instead)	x			
institution attended	x	х		
amount awarded (average, low, high)	x			
now many graduated	х			
those who did not finish or complete degree	х			
those who are currently working in SD as part of the three year work obligation			х	
we could account for how many have completed and how many years			x	
those who did not fulfill a 3-year work obligation			x	
Share more about why not completed school (Note: universities could share a				
ittle more on this topic in aggregate)	x			
understand more about why not completed work commitment (marriage;				
relocation; whether out of state employer paid off debt			x	x
to know it				
	x			
whether student is pell-eligible	x x			
whether student is pell-eligible student carried into the following year at same institution				
whether student is pell-eligible student carried into the following year at same institution transferred (one time to another eligible institution) demographics data? (Note: it is optional for students to self-report this to universities; universities could share this with Freedom Scholarship in	x			
to know it whether student is pell-eligible student carried into the following year at same institution transferred (one time to another eligible institution) demographics data? (Note: it is optional for students to self-report this to universities; universities could share this with Freedom Scholarship in aggregate annual cummulative GPA (per student or aggregate)	x x	x		
whether student is pell-eligible student carried into the following year at same institution transferred (one time to another eligible institution) demographics data? (Note: it is optional for students to self-report this to universities; universities could share this with Freedom Scholarship in aggregate annual cummulative GPA (per student or aggregate)	x x x	x		
whether student is pell-eligible student carried into the following year at same institution transferred (one time to another eligible institution) demographics data? (Note: it is optional for students to self-report this to universities; universities could share this with Freedom Scholarship in aggregate	x x x	x		
whether student is pell-eligible student carried into the following year at same institution cransferred (one time to another eligible institution) demographics data? (Note: it is optional for students to self-report this to universities; universities could share this with Freedom Scholarship in aggregate annual cummulative GPA (per student or aggregate) perhaps post college we might want to know more about how they contributed to the work force? We could ask a question on their annual	x x x	x	X	
whether student is pell-eligible student carried into the following year at same institution transferred (one time to another eligible institution) demographics data? (Note: it is optional for students to self-report this to universities; universities could share this with Freedom Scholarship in aggregate annual cummulative GPA (per student or aggregate) perhaps post college we might want to know more about how they contributed to the work force? We could ask a question on their annual live/work verification form	x x x	x		
whether student is pell-eligible student carried into the following year at same institution transferred (one time to another eligible institution) demographics data? (Note: it is optional for students to self-report this to universities; universities could share this with Freedom Scholarship in aggregate annual cummulative GPA (per student or aggregate) perhaps post college we might want to know more about how they contributed to the work force? We could ask a question on their annual	x x x x x	x	x x	
whether student is pell-eligible student carried into the following year at same institution transferred (one time to another eligible institution) demographics data? (Note: it is optional for students to self-report this to universities; universities could share this with Freedom Scholarship in aggregate annual cummulative GPA (per student or aggregate) perhaps post college we might want to know more about how they contributed to the work force? We could ask a question on their annual ive/work verification form	x x x	x		
whether student is pell-eligible student carried into the following year at same institution cransferred (one time to another eligible institution) demographics data? (Note: it is optional for students to self-report this to universities; universities could share this with Freedom Scholarship in aggregate annual cummulative GPA (per student or aggregate) berhaps post college we might want to know more about how they contributed to the work force? We could ask a question on their annual ive/work verification form university's scholarship to loan conversion rate (to base future grant awards) hometown school district name home county	x x x x x x x x x x x x x x x x x x x	x		
whether student is pell-eligible student carried into the following year at same institution cransferred (one time to another eligible institution) demographics data? (Note: it is optional for students to self-report this to universities; universities could share this with Freedom Scholarship in aggregate annual cummulative GPA (per student or aggregate) berhaps post college we might want to know more about how they contributed to the work force? We could ask a question on their annual ive/work verification form university's scholarship to loan conversion rate (to base future grant awards) nometown school district name nome county field of study (certain taxonomy consistent across all universities)?	x x x x x x x x x x x x x x x x x x x	X
